Applicants' attorney wishes to thank the Examiner for the careful consideration given this case. On October 29, 2003, Jim Dilmore (Registration No. 51,518; agent for Applicants) conducted a telephonic interview with Examiner Cook regarding the present application (Serial No. 09/868,106). No exhibits were shown, nor were demonstrations conducted. Prior art, namely Goumas (of record), was discussed in light of presently-pending Claim 3. Claim language was discussed, specifically, whether the Examiner would consider if amending "comprising" to recite "consisting essentially of" would overcome the pending rejection under 35 U.S.C. § 103. It was determined that the Applicants would file an RCE so that the Examiner could fully consider the arguments of the Applicants. Accordingly, Applicants filed an RCE on February 11, 2004.

Respectfully submitted,

Dated: April 16, 2004
